CHARTER SCHOOL

“Reading is Intere-STING!”

2022-2023 School Wide Reading

Incentive Program

Remember - Reading makes you SHARP!

Our primary goal of implementing this reward program is so that each student at Seminole Science Charter School feels encouraged and challenged to read. The “Reading is Interesting!” Program was created to encourage student reading through a rewards program and unite readers and the school. Readers are rewarded for the number of Accelerated Reader and Sunshine State Books they read within a specific time period. Every time a student reads an AR book and takes and passes an AR test at 85% or higher (on their specific reading level), they will earn points.

Students can use their SSCS Connect login to access the AR program through Clever by clicking this tile:

Renaissance
Place

Students who read Sunshine State Books, and pass AR tests at 85% or higher, will be recognized and rewarded at the end of the year. Students must read these books and take the AR test by May 1st.

AR Program Dates

Quarter 1: August 10 – October 7
