Middle/High School

Seminole Science Charter School

2026 – 2027

Middle and high school supply lists have not been finalized yet. They will be shared at Meet the Teacher Orientation on **Thursday, August 6**, or during the first days of school once teachers have finalized their classroom needs.

In the meantime, we recommend sending your student with basic school supplies, such as pencils, notebook paper, folders, pens, and markers, to help them get started. Teachers will provide families with ample time during the first few weeks of school to purchase any additional classroom-specific items.

Thank you for your patience!
