ATTENDANCE

Absences and Tardiness

SSCS recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what you and your parents' or guardians' responsibilities are. Also, you need to be very aware of your responsibilities regarding homework, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

Excused Absences

SSCS accepts only the following as excusable reasons for absence from school. **Parents or guardians must notify the school in the morning on any day their child is not attending.** The excuse shall be submitted to the school office and filed as part of the student's school record. An excuse for absence from school may be approved for one or more of the following reasons or conditions:

- **Personal Illness:** Personal illness of the student or when attendance in school would endanger the health of the student or the health of others is excused. Upon the student's return to school, appropriate medical documentation is required within three days of the absence(s). Your parent or guardian should call the school each morning you are home ill. When you return to school, you must bring an explanatory note from your parent or guardian or it will be an unexcused absence. The school may require a doctor's confirmation if the student has 3 or more medical excused absences.
- **Serious Illness or Death in the Family:** Serious illness or death in student's immediate family necessitating the absence. In the case of serious illness, students are required to present medical documentation to validate the absence(s) as an excused absence within three days of the student's return to school. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian or doctor.
- **Legal Requirements:** Court order by a governmental agency mandating the student's absence from school is excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring a copy of the court order documentation.
- **Special or Recognized Religious Holidays:** Special or recognized religious holidays observed by the faith of the student. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.
- **Weather or Environmental Conditions:** Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.
- **Financial or Other Conditions:** Other absences to be determined by, and at the discretion of, the Principal may be excused.

Unexcused Absences

An unexcused absence is a part of a student's school record. Students will be marked for an unexcused absence for:

- **Failure to Attend School:** Failure to attend school, with or without the knowledge of the parent/legal guardian, for reasons other than those specifically outlined as excused absences will be considered unexcused absences.
- **Out of School Suspension:** School days missed as a result of an out of school suspension shall not be counted as unexcused for the purpose of determining truancy. SSCS allows students who miss school for an out of school suspension to make up any work missed (refer to the section Make-up Work for Excused Absences).

School Tardy

A student is tardy when he/she arrives at school after the beginning of the official school day, or is not in the assigned class at the official beginning of the class period. School starts at 8:00 (6-8) and at 8:05 (K-5), any student who arrives after that time will be considered tardy. Tardy students must be escorted to the front desk by a parent and signed into school as late.

- **Excused Tardy:** Late arrival to school as a result of reasons defined herein as excused absences or as a result of events physically out of one's control such as inclement weather, documented transportation delays, health related emergencies, power outage, compliance with court order shall be considered excused tardy if the sign-in procedure is followed. Students who are transported to school other than School Buses (if applicable) and arrive late to school by vehicles must have their parent(s)/guardian(s) come into the school office to sign the student in as tardy, and provide the reason for the tardiness. For carpools arriving late, the driver responsible for the carpool that day must come into the school office and sign in each student as tardy, and provide the reason for the tardiness. Once the student(s) have been properly signed in, they will get a "late slip" for admittance to class.
- **Unexcused Tardy:** Arriving late to school with or without the knowledge of parent/guardian, as a result of reasons such as oversleeping, missing the bus, car problems, traffic, baby-sitting, athletic workouts, or socializing, is considered unexcused. If the sign-in procedure is not followed the student(s) will be marked as unexcused tardy regardless of the reason for the tardiness.

Habitual School Tardy

Students who are unexcused tardy more than five (5) times in a calendar month or ten (10) times in a 90-day calendar period will be referred to the county social worker.

Class Tardy

Students are expected to be in their assigned seats when class begins. If a student has checked in late through the Front Office, the student should have a "tardy slip" to class from the Front Office. Repetitive tardiness will result in student receiving disciplinary consequence based on the Minor Violation Discipline Cycle. One conduct point is assigned for each tardy up to three tardies per week. Thereafter, each tardy will be assigned two points.

Class Cuts/Skipping

A class cut occurs when a student is absent from class for more than 5 minutes without permission from the teacher or authorization from the office to do so. Students who become ill or need to see a counselor or administrator during class time should first report to class, obtain permission to be excused and a written pass from the teacher. If a student is too ill to report to the office, he/she should have another person notify the office at once in order that appropriate attention may be given to the student.

Make-up Work for Absences – Excused or Unexcused

An excused or unexcused absence from school, even for several days, does not remove any student from responsibilities in the classroom on the day they return to school. Students who have been absent will be given the same number of days that they were absent to make up missed work.

Assignments and class handouts are available on SSCS Connect and are available 24 hours a day – should a student be absent for any reason, they should access this information via the Internet. **Parents should not call or e-mail teachers or the Front Office asking for assignments.** Long term assignments given prior to a student's absence will be due on the original due date or upon the student's return to school. For students who have been absent, make-up tests will be scheduled at a time designated by the teacher.

Students who participate in International or Out of State Competitions will be excused from their assignments that are given on competition days.

Early Checkouts

Being removed from class and leaving the school prior to the official end of the school day with a parent or legal guardian is considered an early checkout. A photo ID is required to check a student out of school. Only those persons who have been previously approved by the parent(s)/guardian(s), and officially recorded on the student's records at school will be allowed to check out a student.

- **To be considered "in attendance" for a school day, a student must be present for at least one-half of the school day. Students leaving school before meeting that requirement will be considered absent for the day.**
- **A parent or legal guardian should bring appropriate documentation showing the necessity of an early checkout at the time the student is released from school.**
- **Early checkouts are not permitted during the last 30 minutes of the school day.**

Truancy

Florida Statute 1003.27 provides that a parent or legal guardian who refuses or fails to have a child under his or her control attend school regularly, is subject to the charge of a second degree misdemeanor, punishable as provided by law. A student who accumulates 15 or more unexcused absences within 90 days with or without the knowledge or consent of the student's parent shall be classified as a habitual truant. If a student becomes a habitual truant, the school administration shall refer matters to the Legal Services Department. Thereafter, the Superintendent may file a truancy petition with the circuit court. The Superintendent also may choose to refer a truancy matters to the State Attorney's Office for criminal prosecution of the parent.

- **After 5 unexcused absences:** The parent/legal guardian will be contacted by the school administrator requesting a conference. After two reasonable attempts to notify the parent/guardian without response, the school shall send a notice to the parent/guardian by certified mail, return receipt requested.
- **After 10 unexcused absences:** A letter will be sent from the school administrator to the parent/legal guardian regarding attendance by certified mail, return receipt requested. In addition, a referral shall be made to the school social worker by the school administrator.
- **After 15 unexcused absences:** If a student becomes a habitual truant, the school administration shall refer matters to the Legal Services Department. Thereafter, the Superintendent may file a truancy petition with the circuit court. The Superintendent also may choose to refer a truancy matters to the State Attorney's Office for criminal prosecution of the parent. A letter will be sent from the school administrator to the parent/legal guardian regarding attendance.

Excessive excused absences also impact the educational program and may be handled as follows:

- **After 5 excused absences:** The parent/legal guardian will be contacted by the school administrator or his designee by telephone or parental conference regarding attendance when possible. If contact is unsuccessful, a letter will be sent by the school administrator.
- **After 10 excused absences:** A letter will be sent from the school administrator to the parent/legal guardian regarding attendance. In addition, the school administrator shall confer with the school social worker to determine whether a referral is warranted, at this time.
- **After 15 excused absences:** The school has the discretion to confer with the school social worker to determine whether any action should be taken to address the absences. When administrative actions taken to correct truancy have proven ineffective, the school system may file a truancy petition pursuant to the procedures in state attendance laws. A referral, if not already made, will be made to the school social worker by administration.

CODE OF CONDUCT

Conduct Information

It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline a close, cooperative relationship must exist between the home and the school. It is our goal to provide close communication with parents at the onset of discipline problems, so that together we can find alternatives for students and they can experience success in relationships at home and school.

For this discipline program to be successful, students must make choices for themselves and **be responsible for their own behavior as well as for their academic performance.** Students who make poor choices cannot, and should not, place blame on the environment, parents, the school, and/or peers. All persons, involved in committing, planning, participating, helping, advising, encouraging, or benefiting in the violation of a rule or code of conduct are parties to the violation. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

Responsibility for Individual Actions or Choices

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional. Often harm caused to other persons or their possessions is unintentional, or the result of careless behavior. This, however, does not excuse or diminish the personal responsibility of the student (and/or his/her parent/guardian) to make appropriate restitution. When known and verified by an administrator, any harm caused to another will be reported to parents. **Neither SSCS employees nor the Governing Board assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.**

SSCS has as its goal to help every student fulfill his/her intellectual, social, physical, and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the SSCS administrators and teachers shall not allow inappropriate, distractive, or disorderly behaviors to occur during school, on school property, or at any school-sponsored activities. **Students who continuously disregard the code of conduct may be recommended to the School Board for expulsion.**

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Firm but fair is the basis for this system wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. SSCS takes seriously its responsibility to educate its students in a safe and drug free school where they are free from fear of harm or intimidation. Weapons, drugs and gang activity will not be tolerated. Students, who violate SSCS rules, or State laws related to these offenses, will be suspended or recommended for expulsion from school. Violators will also be reported to police and may be arrested. These rules apply to all students at school or school-sponsored activities, including field trips and on buses, athletic fields, stadiums, parking lots, and other sites used for school-sponsored activities.

Minor Violations Discipline Cycle

Minor violations in or outside of the classroom will be handled by the issuance of Conduct Points. Students' violations will be recorded by the teachers or other staff by help of a computerized Conduct Log system. **Conduct points** can be given anywhere in the school by any school employee and are **used to communicate student behavior with parents.** Parents and students will have online access to the recorded information via SSCS Connect. Administration will review the recorded Conduct Log weekly and assign consequences as follows:

1 - 3 conduct points/week	No consequence assigned.
4 - 6 conduct points/week	Lunch Detention
7 - 9 conduct points/week	Work Detail/Other
10 - 12 conduct points/week	Administrative Detention/ Other
13 – 15 conduct points/week or more	In School Suspension (I.S.S.)/Other
16 or more conduct points/week: Disciplinary Referral Form for not following school rules	Consequence based upon Class II Offense

Parents will be contacted with a letter sent home with the student, or the U.S. Mail, regarding the assigned consequence for lunch detention, work detail, ISS, OSS, and disciplinary referrals.

Teachers, in response to **minor** violations in the classroom, will take the appropriate steps when students fail to abide by the established behavioral expectations. Should misbehavior continue or interrupt the instructional environment the teacher will complete an **Intervention Referral Form** and send the student to the In-School Suspension Office.

However, the principal may refer chronic disciplinary students to the School Board to be expelled from the school to protect the learning environment of other students at any time during the MTSS process.

MAJOR VIOLATIONS DISCIPLINE CYCLE

Major violations (Class II-IV) of the student code of conduct result in a Disciplinary Referral Form. The Disciplinary Referral Forms are investigated and consequences are assigned by the administrator. Parents are notified of the consequences by either phone call, notice letter sent with student, or email. Assignments of consequences are progressive. In general, each disciplinary referral advances the student to the next step in the Major Violation Discipline Cycle and violations may have higher consequences if committed at a higher cycle step. Consequence ranges on the Major Violation Discipline Cycle cover most of the major violations. However, it cannot cover all possible examples for violating the listed offenses. Therefore, the school administration may impose consequences that are not listed if warranted by individual circumstances. Any item that is deemed unsafe, inappropriate, or hazardous to persons or property may be confiscated by school personnel. Offenses not covered by the Discipline Cycle are handled by the school administration in accordance with federal and state laws in a manner consistent with the Charter Schools Act. Also at the discretion of administration heavier or lighter consequences may be assigned if warranted by individual circumstances.

DISCIPLINE PLAN

School Wide Classroom Management Plan

Teacher Intervention Process for Classroom Misconduct

SSCS uses a School-wide Classroom Management Plan in which all faculty and staff work in a cooperative systematic effort to encourage a successful learning environment. This plan is designed to ensure an effective learning atmosphere for all students and to curtail any minor inappropriate behaviors that disrupt the learning environment.

The teacher, in response to **minor** disciplinary problems in the classroom, may take the following steps when students fail to abide by the established behavioral expectations:

Warning (Information of the rule, non-verbal, verbal or written warnings)

Students who create classroom disruptions and/or fail to meet behavioral expectations will be given a verbal warning – they will be identified by name, told what they are/aren't doing properly, instructed how they need correct the situation.

Isolation in Classroom or Private conference with pupil

Students who do not properly respond to the first step of a verbal warning may be placed in isolation within the classroom or neighboring classroom. Upon being placed in isolation, the student may be required to sign in on the Isolation Log – ~~should~~ they refuse to sign the Isolation Log, they will be given a **Disciplinary Referral for defiance of authority or failure to follow direction**. The length of time to be served in isolation will be determined solely by the teacher and may differ for each situation.

Intervention Referral Forms

Should misbehavior continue after the first two steps, the teacher will complete an **Intervention Referral Form** and send the student to the Dean of Students. The student may remain in the Intervention Room for the rest of the period/day. The Intervention Room is considered an extension of the classroom, and during the student's visit, the Intervention Specialist will counsel the student with regard to the cited offense. If the Intervention Specialist determines that additional counsel or parent contact is needed, he/she may do any one, or all of the following:

1. Contact the parent(s)/guardian(s)
2. Refer the student to the Counselor
3. Refer the student to the Dean of Students
4. Refer the student to the Multi-Tiered System of Supports Team

These **Intervention Referral Forms** will not be noted on a student's permanent discipline transcript. However, they will be entered in to SSCS Connect for parental viewing and students will receive consequences in the form of conduct points, lunch detention, ISS, OSS, or as assigned by the Dean of Students for each **Intervention Referral Form** they receive.

A signal bell or the appropriate administrator will be given for returning to class.

DESCRIPTION OF DISCIPLINE OPTIONS

Lunch Detention (LD):

An administrator may assign administrative lunch detention to a student who fails to comply with school rules. Parents will be notified when administrative lunch detention is assigned.

Work Detail (WD):

Student is assigned a task to be completed within a given time frame or until the objective of the task has been met. Examples might include picking up trash or cleaning an assigned area.

In-School Suspension (ISS):

In-School Suspension is a formal disciplinary action that can only be assigned by the SSCS administrator and requires written correspondence to parents. In-school days of suspension may increase on successive occasions where it becomes necessary for the same student to be placed in in-school suspension. Students are required to bring and do academic work or may be assigned work detail during ISS. **All students under in-school suspension are prohibited from participating in after school activities and are therefore required to leave the school campus immediately upon dismissal.** In-school suspension consequences will be notated on student's permanent discipline transcript.

Out-of-School Suspension (OSS):

Out-of-School Suspension is a formal disciplinary action that can only be assigned by the SSCS administrator and requires written correspondence to parents. Out-of-school suspension may increase on successive occasions where it becomes necessary for the same student to be suspended from school. **A meeting between a parent and an administrator may be required prior to the return to SSCS of any student serving an out-of-school suspension. All students under out-of-school suspension are prohibited from participating in after school activities and therefore are not allowed to come on the school campus.** Students who receive an out-of-school suspension will not be able to participate on any overnight field trips for the rest of the school year and any fees or deposits paid earlier are non-refundable. Out-of-school suspension assignments will be notated on student's permanent discipline transcript.

Academic and/or Behavioral Contract:

Students who have been given consequences based on Step 4 of the disciplinary cycle in any category will be asked to enter into an academic and behavioral agreement. Failure to sign the agreement by the parent and/or student will not hinder the school administration from taking any further actions.

Option to Withdraw (OW):

A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which the student resides. A student who is suspended from a charter school as a result of a disciplinary action taken by a charter school shall be entitled to enroll in a local school within the local school system in which the student resides if, under the disciplinary policy of the local school system, such student would not have been subject to suspension.

Expulsion from SSCS (EXP)

Expulsion from SSCS is a formal disciplinary action that can only be approved by the School Board after receiving a recommendation by the SSCS administrative team due to the student's involvement in a serious discipline offense or the student's involvement in repetitive discipline offenses. A written correspondence containing the recommendation information will be mailed to the students' parents within ten days of suspension.

REWARD SYSTEM

Students at SSCS are always expected to exhibit appropriate behavior. However, in an effort to encourage students to go beyond the expected behavior, students will be recognized for “doing good.” Some examples are, but not limited to:

- Assisting someone in need.
- Volunteering to do an unwanted task.
- Cleaning up after others.
- Consistently having a cooperative spirit.
- Exceeding requirements on an assigned task or assignment.
- Modeling exemplary character strengths.

Citizenship Award

Individual rewards will be planned for the end of each semester for SSCS students. Those students who have not received lunch detentions, Intervention Referrals, or Disciplinary Referrals during each semester are eligible to receive a **Citizenship Award** for excellence in behavior, dependent on the number of commendations received. Students in grades 3-5 must also achieve all their monthly character goals. Students in grades 6-8 must also complete service hours to qualify for the **Citizenship Award**, for more details please contact the Dean of Students.

Commendations

A **Commendation** will be awarded to students who are observed exhibiting behavior “**above and beyond**” expected behavior. Any SSCS employee who observes a student engaged in this type of exceptional behavior can issue a **Commendation**. These **Commendations** will not be noted on a student’s permanent discipline transcript. However, they will be entered on SSCS Connect for parental viewing.

School – Wide Rewards

A system of rewards to students who reach a documented level of behavior has been put in place to recognize those students for their achievement. Eligibility for participating in each of these rewards differs for each reward – some are based on receiving **Commendations**, others are based on good behavior. Some of the **School-Wide Rewards** will be, but are not limited to:

Dress Down Days – these will be scheduled for the 2nd Friday of each month. Dress down days are intended to reward students whom have exhibited excellent behavior. **Eligibility for participating in these Dress Down Days is based on receiving no disciplinary events during the previous month AND having not received an in-school suspension (ISS) or out-of-school suspension (OSS) during the school year.** Students participating must follow the SSCS guidelines listed under the section **Dress Code**.

The Student of the Month – **The Student of the Month** will be determined based on commendation points and teacher recommendation. **The Student of the Month** will be included in morning announcements and in the weekly SSCS Newsletter.

Commendation of the Day – this award will be chosen at random from the commendations entered into SSCS Connect the day prior. Commendation of the Day winners will be announced each morning on the announcements.

INSTRUCTIONAL PROGRAM

SSCS curriculum is guided by Seminole County Public Schools and the FLDOE curriculum/guidelines. In order to provide an excellent elementary and middle school education, as outlined in our mission statement, SSCS enhances the basic Seminole County Public Schools curriculum whenever possible. If you have specific question please contact the Assistant Principal of Curriculum. Additional curriculum information can be found on our website: www.seminolescience.org, under the “academics” tab.

Cheating and Plagiarism

Cheating and plagiarism are deceptive choices made by students to misrepresent the student’s true knowledge of the subject material (cheating) or misrepresenting information as their own ideas/concepts/words by not giving proper credit to the original source (plagiarism).

All papers or projects submitted at SSCS are required to be in the student’s own words unless stated in writing by the teacher otherwise. Therefore, any copying of information from the Internet or any other source (i.e. “cutting & pasting”, etc.) is considered plagiarism. However, drawings and/or pictures may be taken from an Internet or other source as long as they are properly cited in the document.

Cheating and plagiarism demonstrate a deliberate disregard for the educational program and are considered a serious matter. Students who cheat or plagiarize will immediately be given a zero on the assignment/project and referred to the administration using a **Disciplinary Referral Form**.

Conferences

Parents and teachers should maintain a good working relationship to help students obtain the best possible education. Conferences are good communication tools. Our most important form of communication is the parent-teacher conference. Parent-teacher conferences are scheduled once per quarter – check the school calendar for the specific date. Additional conferences may be requested at any time during the school year. If you would like to have a conference with any staff member, please contact the school and arrangements will be made.

SSCS Connect

Parents can see their children’s academic improvement, daily homework and assignments, projects, behavior and discipline records, and attendance records through SSCS Connect. At the beginning of each school year, parents will be provided a username and password, which will provide access to ONLY their student’s records. We strongly encourage parents to visit SSCS Connect on a daily basis to stay informed of their student’s progress.

Grading Scale

Academic Grading Scales Kindergarten – First Grade	Grades Two – Eight
S = Satisfactory	A = 90-100
N = Needs Improvement	B = 80-89
	C = 70-79
	D = 60-69
	F = 59-0

Grading System & Reporting

Students receive progress reports every 5th week of each 9 week grading period and report cards every 9 weeks. Final grades for core academic courses are received at the end of each 9 week period. Parents should contact their child’s teacher if there are any questions concerning grades recorded or information contained on the child’s report card. The SSCS Governing Board, in compliance with State Standards, approves the grading scale. Grades are reported numerically on all progress reports and report cards

except the end of year report card. Letter grades are reported on end of year report cards. Any grade below 60 is failing.

Homework Policy

Homework is an essential part of your successful educational program at SSCS. Completing homework will assist students in developing valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers assign homework that will foster individual learning and growth, and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is each student's responsibility to complete and turn in homework on time – if it is not, a grade of zero may be given at the discretion of the teacher. In case of conflict regarding homework assignments the teacher's record is final. If students or their parents have questions about homework, immediately contact the teacher who assigned it. Teacher's e-mail is available and daily assignments are posted on SSCS Connect on our web site: www.seminolescience.org. Teacher will respond to emails within 48 hours of being received.

Preparedness for Class

Students must bring the needed materials, described in the course/teacher syllabus, to class each day. Failure to do so may result in conduct points. Students who repeatedly receive conduct points for unpreparedness for class will be given appropriate consequence within the discipline cycle and may receive a **Disciplinary Referral Form** for failure to follow school rules.

Note: Students who have lost their textbook will be permitted to use a text during classroom instruction however, they will not be permitted to take the text home for homework purposes (refer to **TEXTBOOKS** section).

Promotion

At the end of each academic year students who have made satisfactory progress in academic subjects are promoted to the next grade level. SSCS will follow Seminole County Public Schools Student Progression Plans.

Recognition

Students are recognized on a regular basis and rewarded for accomplishments. Outstanding student achievement, grades 2-8, will be recognized each semester in three distinct categories:

Principal's Honor Roll - students achieving a weighted academic average of 95 or above in all subjects.

Honor Roll - students achieving a weighted academic average of 90 to 94.9 in all subjects.

Achievement Roll - students achieving a weighted academic average of 85 to 89.9 in all subjects.

Calculations are carried out up to one decimal point, and standard rounding rules are applied. Connection classes and core classes have different weights.

Schedule Changes

Each student's schedule is carefully planned and developed based on the student's academic history and demonstrated abilities. **Modifications to the student's schedule can only be made if requested within the first two weeks of the beginning of the school year through the Assistant Principal.** Any requests made after this time may be deemed as disruptive to the regular routine already established, and therefore, may not be honored. Written permission from the parent is required for the change. The final decision will be made by the administration. Please check your student's schedule carefully during the first week of school to ensure the best placement for your student.

Textbooks

Textbooks for students are furnished by SSCS. Restitution for lost and/or damaged textbooks or related materials and supplies will be required BEFORE a second text or additional materials will be made available to a student. Students who owe money for lost or damaged texts or materials will be permitted to use a text during classroom instruction; however, they will not be permitted to take the text or materials home for homework purposes. Report cards and FSA score cards may also be withheld until textbooks fees are collected.

DRESS CODE

Seminole Science Charter School Uniforms

Only SSCS logo uniform polos and jackets provided by Risse Brothers will be accepted at SSCS. Uniform polos, jackets, and physical education clothing that is purchased elsewhere will not be accepted.

Students are expected to wear the SSCS uniform at all times and to dress and groom themselves in such a way as to reflect neatness, cleanliness, and safety. All students should dress appropriately so as not to disrupt or interfere with the educational program or the orderly operation of the school. The principal or other duly authorized school official shall determine whether any particular mode of dress, grooming and accessories is in violation of the spirit and/or the intent of the school's dress code policy. Students and parents are expected to honor the uniform code in order that valuable school time is not spent examining student attire to determine appropriateness. ***Students are not permitted to change out of their uniforms during or after school unless participating in P.E. or an after school activity that requires non uniform clothing.***

Students who violate the uniform code will be allowed to call home for an appropriate change of clothing after obtaining administrator approval. Otherwise, the student will remain in the front office for remainder of the school day. The student's parent will be notified of this violation. **Inappropriate attire jeopardizes the instructional climate and therefore, will not be tolerated.**

Guidelines for clarification are as follows:

1. Uniforms must be worn properly at all times while at SSCS:

- a. Students must be in complete uniform when they arrive at SSCS. All shirts must be tucked in shorts, pants, skorts, or skirts. Belts must be worn with **all** pants and shorts. Uniforms are expected to remain intact and appropriately worn throughout the entire day at school.

SERVICES FOR STUDENTS

After School Activities

A number of extra-curricular clubs and/or enrichment activities are offered for students. A brochure describing these activities is available in the school office. Nominal fees may be charged for participation in order to cover the cost of materials and/or supplies. There is no better way for students to enrich their education than by taking part in clubs and after-school activities or through working with a teacher. These opportunities will allow you to explore things you already enjoy and to try other areas that sound interesting.

In order to participate in any after school extra-curricular activity, including music performances, plays, etc., students must arrive in time to be counted present during the school day. **Students serving ISS may not participate in after school activities on the day(s) the suspension(s) is served.** Students staying for after school activities will be expected to follow the following rules or they may be banned from all after school activities:

- You may not stay after school to wait for another student.
- You must be with a teacher or other staff member at all times.
- You must abide by the SSCS Code of Conduct while participating in the activity.
- Your school activity privileges will be cancelled if discipline becomes a problem.
- You must clear the school building immediately following after school activities.
- You must arrange for your own transportation to arrive promptly at the end of the activity.
- Written permission is required for use of SSCS's facilities. Students are not allowed on campus unless supervised by a school employee.

Students with outstanding lunch or after care balances will not be allowed to participate in any type of fund required extracurricular academic or non-academic activities/events (including field trips, competitions, clubs, and after school events.)

After School Care Program

The After School Care Program is established to accommodate parents who cannot pick up their students at the end of the club period. Students will be hosted under supervision of an adult and will be able to read, study, and do homework during this time. The charge

for this service is announced during the orientation day before the school starts. Monthly registration for discounted price will be available. Afterschool care program is provided until a specified time every day. Regardless of the situation, we will call the local authorities and give them custody of the student, if the student is not picked up before the specified time provided in the afterschool care packet. Neither SSCS nor the teacher assumes any responsibility for the welfare of the student. SSCS doesn't offer before school care and supervision starts at 7:30 am.

The Code of Conduct, school policies, and school rules apply to students at all times while on campus, including after care. All students who fail to follow those rules will be referred to the Dean of Students and consequences will be assigned. Three discipline referrals (during school or extended day care) will result in student being suspended from the Extended Day Care Program for 3 days. On the fourth offense, the student will be dropped completely from the Extended Day Care Program.

Communications Between School & Home

Every effort will be made to ensure good communication between the home and the school. Parents may communicate directly with the school's staff members via e-mail, voice mail, written request, or by accessing the school's web page. A softcopy of the newsletter will be sent home weekly via e-mail announcing upcoming school activities and event. Student agenda's should be used for daily communication of assignments, progress, and behavior.

Field Trips

Field Trips offer exciting ways to learn. SSCS students will have the opportunity to go on field trips at various times throughout the school year. Grade level and/or team sponsored day field trips are offered to most students. Students, who have received an out-of-school suspension (OSS) during the school year, will not be eligible to participate in any overnight field trips for the rest of the school year and any fees or deposits paid earlier are non-refundable. In addition, any student who has demonstrated the inability to follow rules may be prohibited from participating - this determination will be made by the administration on an individual basis. Any fees or deposits paid earlier are non-refundable. For all field trips, you will be expected to follow these rules:

- You must abide by the SSCS Code of Conduct and Discipline Plan while on the field trip.
- You must follow the SSCS Dress Code, wearing the "royal and khaki" uniform unless otherwise specified.
- You must bring to school the Field Trip Permission Slip, signed by your parents or guardian, by the specified date. No phone calls or e-mails will be accepted as permission.

Lunch/Nutrition Program

Students may purchase a nutritional lunch in the school cafeteria or may bring their lunch from home. The cost for student lunch is announced at the beginning of school and can be paid on a monthly basis or as needed. Payments may be sent into school or paid online through myschoolaccount.com. Students may purchase milk, and other nutritional beverages at school. Students needing free or reduced lunch should apply through Seminole County Public Schools. The Free and reduced lunch application is available online at diningservices.scps.us. SSCS students are not permitted to use the school microwaves.

Home Visits

Research has shown that home visits help with both academic and behavioral performance. The overall goal of home visiting is to help strengthen relationships between parents, teachers, and students. Home visiting programs are an effective way for teachers to get parents involved in their child's education and to let parents and children know how much they care. Therefore, SSCS encourages teachers to visit their students at their homes. Please contact your child's teacher directly or notify the front office to arrange a home visit.

Multi-tiered Systems of Support (MTSS)

The purpose of the student support team (MTSS) is to identify and plan alternative instructional strategies for students who are experiencing academic, social, or behavioral problems. The student support team is a committee consisting of the referring teacher, the chairperson, and at least one other participant. Parents are invited to attend the MTSS process regarding their child. The MTSS process provides problem-solving strategies and instructional support for teachers and parents. Questions concerning the referral process should be referred to an administrator.

Exceptional Student Education (ESE)

Seminole Science Charter School employs an ESE Staffing Specialist to provide consultation services to classroom teachers who serve special education students, as needed. SSCS shall comply with federal and state law to ensure that all students with disabilities are provided with a free appropriate education (FAPE).

School Pictures

A contracted photographer will photograph students in the school during the fall semester. Families will have the opportunity to purchase pictures through the contracted company.

Transportation to and From School

Car Riders

Students who are transported in cars should be dropped off in the designated area of the school. The earliest drop off time is 7:30 am. SSCS takes no responsibility for students who are dropped off before 7:30 am. When picking a student up at dismissal time, please use the appropriate lane assigned. SSCS employs a designated person or a Police officer to direct the traffic. Your cooperation with this person is expected in order to make arrival/dismissal as safe and efficient as possible.

Walkers

SSCS takes no responsibility for student walkers. Due to limited sidewalks and high volume traffic in the immediate area, walking is strongly discouraged. Parents/Guardians who desire for their child to walk to or from school, must sign a liability release at the beginning of each school year.

Bicycles, Skateboards, Roller Blades, and Scooters

Bicycles, skateboards, roller blades, and/or scooters, are not permitted on school property without prior approval from Administration.

School Sponsored Activities

From time to time, SSCS administration may organize or sponsor off-campus activities. Unless otherwise specified by the administration, all school rules are in effect in any such school sponsored activity. Eligibility to participate in such programs and specific policies will be determined and announced by the administration as needed.

HEALTH AND SAFETY

Illness and Injury

SSCS will have full-time clinic personnel or clinic trained staff on-site to provide basic first aid and administer medications as necessary. Any student with a temperature of 101° or higher will be sent home. Students who have vomited while on campus must remain home for at least 24 hours before returning to school.

Over-The-Counter Medications

Aspirin, Tylenol, and other patient over-the-counter drugs are not available through school. Should you wish for your child to have access to these medications, you must sign a waiver and leave a supply with the school clinician or office.

Medication Policy

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

The medication to be administered by designated school personnel must be sent directly from the pharmacy or physician's office **or** brought to school by the student's parent/guardian. The school must receive a **Student Medication Authorization Form** signed by the student's physician and parent/guardian as well as SCPS documentation for the administration of that medication.

The following information must be printed clearly on the medication container:

- Student's Name
- Name of the medication
- Dosage
- Time the medication must be taken.

Bring in only the amount of medication that is needed for a school day. In the case of prolonged need, send in the amount for a clearly specified period such as one week or one month. Extra medication will not be sent home with a student. All medication will be kept in a secure location in the clinic.

Self-Administration of Medication

As a general rule, students are not allowed to carry any medication with them in school. However, students may carry and administer their medication **if both of the following conditions are met:**

- It is warranted by a potentially life-threatening condition and advised by their physician **AND**
- An **Student Medication Authorization Form** is on file in the office signed by the student's parent, the physician, and the principal.

Wellness Policy

In accordance with federal guidelines for schools providing the Federal Free & Reduced Lunch Program, SSCS has established a Wellness Policy which is designed to promote the daily awareness regarding good nutrition and physical health. School employees, parents, and students are required to comply with this policy when considering special events, parties, field trips and other activities involving students and refreshments. The Wellness Policy is available for review on the SSCS website at www.SeminoleScience.org

GENERAL INFORMATION

Announcements

Official announcements are provided on our website – www.seminolescience.org - and in our weekly newsletter. As a common practice, announcements made by the administration, which affect the school community, are made through these two communication devices. SSCS encourages parent(s)/guardian(s) to check our website on a regular (daily) basis. The Governing Board, Administration, Teachers, and Staff at SSCS are dedicated to keeping our community informed.

Book bags and Backpacks

Students may use a Book bag/Backpack to transport school materials necessary for their learning experience to and from school. During the school day, however, SSCS requires that all book bags remain in the student cubby, on the book bag wall hook, or in the designated classroom location.

Cellular Telephones/Electronic Devices

Although students are permitted to bring cell phones to school, it is not encouraged. If a student brings a cell phone to school, it may not be used inside the school building without permission from SSCS staff. The cell phone must be turned off before entering the school building and immediately placed in the student's locker (or book bag if the student does not have a locker). Students may not carry the phone with them during school hours (i.e. in their pocket). Students shall not use them, display them openly, or leave them in the "on" position during regular school hours. If student is scheduled for an after school activity, including but not limited to clubs and tutoring, cell phone shall be kept off until such activity is over. Cell phones must be turned off and must be in lockers/book bag during the school hours. The policy applies to any type of use not just voice calls. **Cell phones may not be used during the school day to take photographs, to send or receive text messages, or to make phone calls.** Students should check their cell phone before entering the building and make sure that it is in the "off" position. Students who are found in possession of a pager or cellular telephone shall have the item confiscated by school administration. The cell phone will only be returned directly to the parent/guardian.

If a parent/guardian cannot pick them up, items may also be shipped to a home address provided that the shipping charges are prepaid by the parent. This rule applies but is not limited to other electronic devices such as Digital Cameras, PDA's, blackberry, Mp3/Mp4 player, iPod, iPad, radios, and electronic reading devices (Kindle, Nook, etc.).

At no time shall SSCS be responsible for theft, loss, or damage to cell phones or other electronic devices brought onto its property.

Metal Detectors & Scans

In accordance with Seminole County Public Schools procedure, periodic scans with a metal detector may be conducted throughout the school. A plan will be established prior to the scanning to ensure randomness. A report of the scanning process will be documented and submitted to the Principal.

Corrections and/or Modifications to This Handbook

SSCS reserves the right to make changes or modifications to this handbook as needed throughout the school year. Changes or modifications made during the school year will be announced in the weekly newsletter. The latest version will always be available on our website at www.seminolescience.org.

Definitions and/or Interpretations Used In This Handbook

For purposes of clarity, many terms and situations have been defined or explained in an effort to explicitly determine the exact meaning or context. The SSCS administration will determine and apply specific definitions and interpretations where necessary to provide maximum security, safety, and educational opportunities for SSCS students. No other definition or interpretation, nor any other source may be used or applied to terms or situations described within this handbook.

Emergency Drills

Regular emergency preparedness drills will be held throughout the school year so that students will be trained to act properly in an emergency. These drills will include fire, tornado, and other crisis emergency drills. A comprehensive emergency preparedness plan is on file in the office.

Desks/Cubbies

Each student will be assigned a desk and/or a cubby for his/her individual use at SSCS. All desks and cubbies are for storing books, coats, and personal items necessary for school. Students should not bring valuable items from home. SSCS will not be liable for personal items brought to school. To keep school supplies safe, we strongly advise you to write your name on all belongings in permanent marker. Please remember that your desk is school property and remains at all times under the control of the school. You, however, have full responsibility for the neatness and security of your desk and what is in it. School officials may make inspections. No item considered dangerous by the administration may be kept in the desks and will be removed if found there. This includes glass or any other objects that may be potentially dangerous. **Students attending SSCS should not expect privacy in regard to the contents of their desks, cubbies, or other school property.**

Lost and Found

Personal items that are found should be turned in the designated Lost and Found box. Students should check the box for lost articles. Unclaimed items will be donated to charity every month after students are informed about the deadlines to check lost and found items. SSCS is not responsible for items in Lost and Found.

Missing Items

When an item is missing, students should report the missing item to the Dean of Students. At that time, the student should complete a **Missing Items Form** which will permit the item to be returned to the owner should it be found or located. Should the owner find the item themselves or it be returned directly to them, they should notify the Dean of Students as soon as the item has been located.

Parent Participation

There are a number of opportunities at SSCS which a parent/guardian can volunteer. Among these are jobs as library assistants, cafeteria aides, clinic volunteers, room representatives, and instructional partners. Contact the office for more information.

Financial Obligations

Parents may take care of monetary obligations with a credit card or through SchoolPay.

Recording Devices – Audio or Video

SSCS prohibits the use of audio or video recording equipment by anyone other than SSCS staff or personnel on the SSCS campus, within the school building, or at school sponsored events (on or off campus) without express written permission from the SSCS Administration. Students found in violation will have their recording device confiscated, and be given a **Disciplinary Referral** for unauthorized recording. Parents or non-SSCS personnel found in violation will immediately be required to leave - if uncooperative, appropriate law enforcement authorities will be contacted to have them removed from the premises.

Student Agenda / Hall Passes

An agenda will be issued to each student for a fee.

Students must bring their agenda to school daily.

It is the student's responsibility to maintain their Student Agenda in the original condition as it was issued.

The front and back cover must not be altered or removed - The front cover and back cover must remain attached, and must not be altered, cut, or damaged in any way.

The Student & Parent Handbook may not be removed - The Student & Parent Handbook section must remain intact as a part of the agenda so that students and parents may reference the school information and rules at any time.

Dated pages may not be removed - Dated pages must remain in the Agenda for student, parent, and administrative reference to past assignments, phone permissions given, and/or hall passes issued.

Should a Student Agenda fail to meet these requirements, it will be confiscated and the student will be required to purchase another Student Agenda.

Student I.D. Cards

Student I.D. cards are issued to all students for security and identification purposes. Should the safety and security of our students be compromised in any way, a "LOCK DOWN" scenario would occur where outside law enforcement authorities may be required to enter and secure the building – all SSCS staff and students must be able to show proper identification. All students must have their Student I.D. Card with them at all times and present it immediately when requested by school personnel or law enforcement authorities. Additionally, students need to present their Student I.D. Card in the Library in order to check out books or other reference materials. **The Student I.D. Card will be issued at the beginning of the school year to each child for a fee.** A replacement

cost will be required for lost or damaged cards. It is recommended that all students maintain their Student I.D. Card, attached to a lanyard. Student I.D. Cards must remain on school campus and should not be taken home.

Telephone Calls

Students may not be called from class to talk on the telephone during school hours, nor are they allowed to make outgoing calls except in the most necessary circumstances. As part of an effort to teach responsibility, students are discouraged from calling home for forgotten items. **Students may not use any phone at school other than an office phone – classroom phones and cell phones are prohibited from use by students at any time.** The school does not have sufficient phone lines to accommodate student phone calls at the end of the school day. All arrangements regarding after school activities must be made before the student leaves home in the morning. Calls of an emergency nature, that may involve the interruption of a class to deliver a message to a child, must be directed to the principal or assistant principal for approval. **Students must have written permission from an administrator stating a reason in order to use the office phones between 7:30 and 5:00.** We ask that all students please come to school in the morning clearly knowing their dismissal plan of the day. We also ask that parents please know whether or not their children are planning to stay for an after-school activity.

Video or Audio Surveillance

SSCS may use video or audio surveillance to monitor halls, classrooms, and common areas to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. Parents may request a viewing if any recording is used as evidence in a discipline case. Viewing requests by parents may be refused or limited where viewing would be an unreasonable invasion of a third party's personal privacy, would give rise to a concern for a third party's safety, or on any other grounds recognized in the Privacy Act. No other request of viewing may be honored. Approved viewings must be done in the presence of the principal or designate.

Visitors to The Building

All visitors **must** first report to, and sign in at, the main office and wear a visitor's badge before going to other parts of the building.

Classroom Observations

SSCS values the concept of parents as partners in education. Parent and community support and assistance are vital in all facets of the school program. Parents of currently enrolled students or prospective students may wish to observe the classroom setting or perhaps volunteer to serve as an instructional partner in the classroom. To minimize disruption of the classroom environment, all classroom observations are limited to one per semester and must be scheduled in advance with the Dean of Students.

Materials Distribution

SSCS has a "closed forum" relative to the distribution of materials or posting such materials on school grounds or property. It is for this reason that flyers, brochures and/or other materials may not be handed out on campus prior to, during or following the school day. Unless it is approved by the administration, distribution, selling, ordering and consuming external food items or goods are prohibited, and will be confiscated.
